Partnerships in Missions

Converge International

Converge International, is currently supporting 176 missionaries in more than 25 nations around the world. As we anticipate the second coming of Jesus, many in the world haven't heard of his first coming. **So together we are asking God for a gospel movement among every least-reached people group—in our generation.** While we want all people to know Jesus, we focus on the least-reached peoples of the world. We equip churches and leaders to create movements that impact individuals, communities and regions through the power of the gospel. With this focus, people who have never heard the name of Jesus will have the chance to hear and accept the good news.
